

## Happy (I Wish it Was Friday, but it's Monday) Friends!!

Can you believe we've been doing this Update for almost a year?

You all have endured nearly a year of bizarre, comical, crazy-but-true stories.

Of kids and teenagers.

Of family drama.

A new puppy.

Misadventures.

Roller coaster drama.

I laughed when I realized it's been nearly a year and I haven't run out of stories.

That will surprise some of you.

Others, not so much!

Over the last 10 months, because of you all, I've been encouraged, inspired and compelled to grow both personally and professionally.

(I've even learned a little Cherokee. *Wado Tony Ballou!*)
